

Programme

# **A Christmas Carol**

Directed and Produced by: Graeme Marlton & Matthew Lang

## **Synopsis**

### **Scene 1**

We meet Professor Scrooge, who hates the panto, in their office. Scrooge meets members of the department getting ready for the Christmas pantomime

### **Scene 2**

Professor Scrooge is working late in the office and is visited by a spirit who informs Scrooge of the errors of their ways.

### **Scene 3**

Scrooge meets the Ghost of Panto Past. They travel to a past panto, where we learn why Professor Scrooge dislikes the panto.

## **Interval Entertainment with Jon Shonk and Staff interval act**

### **Scene 4**

Scrooge is taken by the Ghost of Panto Present to see the preparations for the 2013 Christmas pantomime, to show the joy that panto brings to the department.

### **Scene 5**

Scrooge wanders into the forest and meets the Ghost of Panto's Yet to Come and is shown a gloomy future department. Will it make Scrooge change their ways?

### **Scene 6**

It's the Day of the Panto and Scrooge wakes up from what appears to be a long dream with a new outlook on panto.

**After Party with DJ Shonk in met coffee room until midnight.**
