

<p>I still haven't found what I'm looking for</p> <p>I have climbed highest mountains I have run through the fields Only to be with you Only to be with you</p> <p>I have run, I have crawled I have scaled these city walls These city walls Only to be with you</p> <p>But I still haven't found What I'm looking for But I still haven't found What I'm looking for</p> <p>I have kissed honey lips Felt the healing, finger tips It burned like fire This burning desire</p> <p>I have spoke with the tongue of angels I have held the hand of a devil It was warm in the night I was cold as a stone</p> <p>But I still haven't found What I'm looking for But I still haven't found What I'm looking for</p> <p>[Instrumental]</p> <p>I believe in the Kingdom Come Then all the colours will bleed into one Bleed into one. But yes, I still run</p> <p>You broke the bonds and you loosed the chains Carries the cross of my shame Oh my shame you know I believe it</p> <p>But I still haven't found What I'm looking for But I still haven't found What I'm looking for But I still haven't found What I'm looking for But I still haven't found What I'm looking for</p>	<p>It's still not been found, where's the tropopause?</p> <p>I have sent radiosondes I have tried with PV All just to try see you All just to try find you</p> <p>I have ran models for looking at boundary walls Boundary walls All just to try see you</p> <p>But it's still not been found Where's the tropopause? But it's still not been found Where's the tropopause?</p> <p>I have tried Ozone bulk Tephigrams, they made me sulk They're useless to me They're useless to me</p> <p>I have tried with the theta lapse rate I tried pacts with my satanic mate Even he can't help me I was stuck on my own!</p> <p>But it's still not been found Where's the tropopause? But it's still not been found Where's the tropopause?</p> <p>[Instrumental]</p> <p>I believe that a day will come And I can be free to join with my one Be with my one My Robin will come!!</p> <p>He knows the way, that'll lose me my chains Carries the answer, of Sue G's game Of Sue G's game He'll beat them I know it</p> <p>But it's still not been found Where's the tropopause? But it's still not been found Where's the tropopause? But it's still not been found Where's the tropopause? And I hope, Robin finds Where's they're hiding me!</p>
